All Right Royals

This year we had many hard hitting close games. The Royals met each weekly challenge with enthusiasm and determination. The Royal Football Program has continued to improve. Many athletes are realizing the need to work hard in time off-season. We are proud of our accomplishments during the 1987 Football Campaign. We would like to thank our Seniors for their hard work and leadership. We would also like to wish them Good Luck in their future endeavors. "GO ROYALS"

Coach Gross gives a last minute pep talk

Not everyone knows what it is to be a cross country runner. But as any runner knows, the desire in the heart motivates and drives to set him apart. When a group of athletes hold onto this dream, that's what you call a cross country team. The thrill of competition, the challenge of the race is the very essence of what a the runner must face. As we look back on the season, we feel accomplishment and success, broken school records, individual goals met. It's not easy to understand what drives an athlete to run, but as for this team we sure had our fun!!!

The four champs enjoyed a nice limousine ride

The 1987-1988 wrestling season started out quite rough, being my first year at the helm. We lost our first six dual meets to some strong teams and then injuries hindered a strong line-up

But as December went by and the wrestlers started to work more as a team, things improved drastically. The Royal wrestlers then won six of their remaining matches, placed runner-up in the SLL tournament with three individual, eager champions. They placed the highest ever, 5th in the district tournament (a new Elmwood record) with four state qualifiers (a new record), the heavyweight placing 2nd, in the state, highest state placer in school history. Elmwood placed 12th in the state tournament over all with 32.5 points.

I would like to thank everyone that helped make this season a success; the wrestling team for their loyalty, Coach Sungki Leemaster for his hardwork and wrestling knowledge, the staff and students that followed us the entire year, the wrestlerettes for doing their part and Mr Z for being my coach and leaving me such a strong team. Lastly, I thank the Lord for giving me the strength and the opportunity to work with these young men.

David A. Lee

John, Tony, Brett, and Jamie all did a nice job!
